

Discussion
University Preparation 1

Name: _____

You will act as group leader for a five-minute discussion on **students and breakfast**. You will have 3 minutes to prepare.

First, give about a 30-45 second introduction to your topic. *Then*, lead a group discussion, making sure that:

- all group members participate more or less equally, and
- the discussion stays focused on the topic by asking questions and summarizing.

Please ask the following question and write two more of your own:

1. What are the reasons that so many students do not eat breakfast?
- 2.
- 3.
