Congress of the Humanities and Social Sciences, 2007

<http://www.fedcan.ca/congress2007/>

University of Saskatchewan, Saskatoon, Saskatchewan

May 30-31 (Wednesday & Thursday), 2007

The objective of this group is to encourage scholarly dialogue and debate in the critically important domain of Health and Public Policy amongst Social Scientists, inclusive of Economists, Sociologists, Political Scientists, Psychologists, Anthropologists, Geographers and other health scientists.

Congress provides an excellent opportunity to facilitate and encourage inter and intra-disciplinary discourse amongst scholars who are typically part of Congress and those who organizations have gone their own way.

Amongst the themes we are interested in are:

- ❖ Population Health
- ❖ Health Promotion and Prevention
- ❖ Socio-Economics Determinants of Health & Health Status
- ❖ Health Policy - Post Romanow Report
- ❖ Gender and Public Health
- ❖ Aboriginal Health
- ❖ Income and Socio-Economic Status and Health
- ❖ The Future of Medicare
- ❖ International Health
- ❖ Cross County and Inter-Regional Comparisons of Health Care Systems

We welcome paper proposals (one page abstracts with information on goals, hypothesis, method, results, conclusion, etc.) on these and other areas of interest. Please send your abstract by email to **hppa.congress@usask.ca**. The deadline for abstract submission is **March 7, 2007**. Additional information will be available at **<http://homepage.usask.ca/~sari/HPPA.htm>**. Your proposal should include the author(s) name(s), affiliation, correspondence information (email address is critical).
