CURRENT POSITION & AFFILIATIONS

Professor, University of Saskatchewan, Department of Economics, Saskatoon, Canada, July 2014 – present

Adjunct Scientist, Health Quality Council, Saskatoon, Canada, April 2011 – present

Faculty Associate, Canadian Center for Health Economics, University of Toronto, March 2014 - present

EDUCATION

Ph.D., Economics, Boston University, Boston, MA, U.S.A, September 2001

M.A., Economics, Northeastern University, Boston, MA, U.S.A, June 1996

B.Sc. (Honors), Economics, Middle East Technical University, Ankara, Turkey, June 1992

MAJOR RESEARCH FIELDS

Health Economics, Applied Microeconomics
Applied Econometrics, Industrial Organization

PREVIOUS ACADEMIC POSITIONS & AFFILIATIONS

Associate Professor, University of Saskatchewan, Department of Economics, Saskatoon, Canada, 2004 – 2014

Research Faculty, Saskatchewan Population Health & Evaluation Research Unit, Saskatoon, Canada, August 2004–2015

Assistant Professor, Florida International University, School of Policy & Management, Miami, USA, 2001-2004

Research Assistant, Boston University, Department of Economics, Boston, USA, 2000- 2001

Instructor, Boston University, Department of Economics, Boston, USA, summer 1999

World Bank Intern, Eastern Europe & Central Asia Division, Washington D.C., USA, summer 1998

Teaching Assistant, Boston University, Department of Economics, Boston, USA, 1997- 2000

Instructor, Middle East Technical University, Department of Public Administration, Ankara, Turkey, spring 1994

Teaching Assistant, Middle East Technical University, Department of Economics, Ankara, Turkey, 1992-1994

HONORS, FELLOWSHIPS & PRIZES

Advising Excellence Award, Graduate Student Association, University of Saskatchewan, March 2014

R.E. Olley Teaching Excellence Award in Economics, University of Saskatchewan, 2011-2012.

First prize in *Young Researchers in Health Economics Paper Competition* (Paper title: Do Managed Care and Competition Improve Quality? Evidence from US Hospital Markets), International Health Economics Association, Third World Congress, York, United Kingdom, July 2001

Dissertation Fellowship, Centers for Medicare and Medicaid Services (formerly known as Health Care Financing Administration), Baltimore, USA, 2000- 2001

Policy Communication Fellowship, Population Reference Bureau, Washington DC, USA, 2000- 2001

Fellowship and Tuition Scholarship, Department of Economics, Boston University, USA, 1997- 2001

Student Research Award, Institute for Economic Development, Boston University, USA, spring 2001

Travel Award, Deans' Office, Boston University, College of Arts and Science, USA, spring 2001

Travel Award, Industry Studies Program, Boston University, USA, spring 2001

Graduate Fellowship, Turkish Ministry of Education, 1994 - 1997

RESEARCH GRANT & SUPPORT

Public Health Agency of Canada, (Principle Investigator: Nazmi Sari). “A Social Return on Investment Analysis of the Saskatchewan/New Brunswick Healthy Start/Départ Santé Intervention”. \$39,600 CND, 2015-2017.

Canadian Institutes of Health Research, “Saskatchewan Center for Patient Oriented Research (SCPOR)”. Total fund: \$68,778,440 CND. 2016-2021. My role: Co-applicant & methodologist.

University of Saskatchewan Office of the Vice-President Research. Publication fund \$1000 CND, 2016-2017.

International Development Research Center, (Principle Investigator: R. Siemens). “Alert Community to Prepared Hospital Care Continuum in Marrere, Mozambique”. Total fund: \$499,765 CND, 2015-2020, My role: Co-applicant

Ralston Brothers Medical Research Fund (Principal Investigator: B. Bath). “Advancing primary health care services in rural Saskatchewan communities for people with chronic low back disorders: Enhancement of an interprofessional Telehealth-delivered assessment with in-person physiotherapy treatment”. Total fund: \$29,995 CND, 2014-2015, My role: Co-applicant

Saskatchewan Health Quality Council (contract), (Principal Investigator: Thomas Rotter) “Saskatchewan’s Lean Health Care Implementation: Planning Phase” Total fund: \$ 198,375 CND, May 2013-December 2013, My role: Co-applicant

Establishment Grant, Saskatchewan Health Research Foundation, (Principal Investigator: Brenna Bath) “Advancing interprofessional primary health care services in rural settings: Evaluation of an e-health physiotherapy intervention for people with chronic low back disorders” Total fund: \$ 119,934 CND, June 2013-May 2016, My role: Co-applicant

Establishment Grant, Saskatchewan Health Research Foundation, (Principal Investigator: Christopher A Hergott) “Evaluation of Telehealth for the Assessment and Follow-up of Lung Cancer Patients from Rural Saskatchewan”, Total fund: \$ 119,957 CND, June 2012-May 2015, my role: Co-applicant

Royal University Hospital Foundation Grant, University of Saskatchewan, (Principal Investigator: Adam Wu) “A Prospective Comparison of Outcome in Patients Undergoing Surgery for Low Back and Leg Pain between Patients referred first to a Clinical Spine Pathway Triage Clinic and Patients referred directly to a Spine Surgeon”, Total fund: \$ 23,615 CND, May 2012-April 2015, my role: Co-applicant

Natural Sciences and Engineering Research Council of Canada, Collaborative Research and Development Grant, (Principal Investigators: WJ Zhang and N. Sari) “Human-Centered Production Systems: design and management”, Total fund: \$53,314 CAD, June 2011-June 2013, my role: Co-Principal Investigator

Saskatchewan Health Research Foundation, Phase Three Health Research Group Grant, (Principal Investigators: Bonnie Jeffrey and Nazeem Muhajarine) “Saskatchewan Population Health and Evaluation Research Unit Team Grant”, Total fund: \$750,000 CAD, April 2011-March 2014, my role: Co-applicant

The Mathematics of Information Technology and Complex Systems, (Principal Investigators: Nazmi Sari) “Do adequate access to Certified Respiratory Educators with spirometry in family physician offices create reduction in health care expenditures?” Total fund: \$15,000 CAD, February 2011-June 2011

Canadian Institutes of Health Research, Partnerships for Health Systems Improvement Grant, (Principal Investigators: Gary F. Teare and G. Ross Baker) “Impact of Releasing Time to Care: The Productive Ward-Relationship of Outcomes and Context in a Nurse-led Health Care Improvement Innovation”, Total fund: \$500,000, June 2010 – June 2013, my role: Co-applicant

Tri-Council Bridge Funding, University of Saskatchewan, “Participation in leisure-time physical activity and its implications for labor market outcomes” (Principal Investigators: Nazmi Sari), Total fund: \$8,000. April 2010- March 2012, my role: Principle Investigator

Tri-Council Bridge Funding, University of Saskatchewan, “Determinants of Physical Activity and Its Influence on Health Care Utilization in Canada” (Principal Investigators: Nazmi Sari), Total fund: \$6,000. April 2009- March 2011, my role: Principle Investigator

Saskatchewan Health Research Foundation, (Principal Investigators: Bonnie Jeffrey and Nazeem Muhajarine) “Saskatchewan Population Health and Evaluation Research Unit Team Grant”, Total fund: \$900,000 CAD, April 2008-March 2011, my role: Co-applicant

The Mathematics of Information Technology and Complex Systems, (Principal Investigators: Nazmi Sari) “Family Physician Work Force Projection in Saskatchewan” Total fund: \$15,000 CAD, February 2007-September 2007, my role: Principle Investigator

Canadian Institute for Health Information, Canadian Population Health Initiative (Principal Investigator: Nazeem Muhajarine) "Early Childhood Intervention in the Community: makes sense, but does it really work?" Total fund: \$300,000 CAD, December 2006 – December 2009, my role: Co-applicant

Saskatchewan Ministry of Education, (Principal Investigator: Nazeem Muhajarine) “Services to develop an evaluation framework for the KidsFirst program”, Total fund: \$38,600 CAD, December 2006 – March 2007, my role: Co-applicant

Canadian Institutes of Health Research, Funding through Saskatoon In-Motion Project (Principal Investigator: Karen Chad), Total fund for the grant: \$703,450 CAD, Total available fund for my sub project: \$15,000 CAD, “Economic Implications of Physical Activity Programs”, June 2005 - May 2007, my role: Lead Researcher and team member

University of Saskatchewan, Office of the Vice-President Academic, Start -Up Funds, \$13,000 CAD, October 2004 -November 2006 (Research support)

Center for REACH 2010 Program at Florida International University, Centers for Disease Control and Prevention’s National Program on Racial and Ethnic Approaches to Community Health 2010 (Principal

Investigator: Bill Darrow), Total available fund for my sub-project: \$6,000 USD, “AIDS/HIV Risk Factors for Minorities in Broward County”, Spring 2004, my role: Lead Researcher and team member

Florida International University Foundation, “Quality Discrimination in Healthcare Markets”, Total fund: \$5,000 USD, May 2003- December 2003, my role: Principal Investigator.

Florida International University, College of Health and Urban Affairs, Start -Up Funds, \$5,000 USD, September 2001 (Research support)

Centers for Medicare and Medicaid Services (formerly known as Health Care Financing Administration), “Quality and Efficiency Issues in the US Hospital Market”, Total fund: \$30,000 USD, January 2000-October 2001, my role: Principal Investigator.

INVITED TALKS & PRESENTATIONS

Introduction to economic evaluation methods, Lurio University, Faculty of Health Sciences, Nampula, Mozambique, July 2016

Long-run health effects of sports and exercise, Department of Economics, University of Alicante, Alicante, Spain, December 2014

Long-run health effects of sports and exercise, Department of Economics, Yeditepe University, Istanbul, Turkey, July 2014

Physical activity & length of hospital stays: Is there a role for physical activity in chronic disease management, The Western Regional Training Centre for Health Services Research Seminar, University of Saskatchewan & Regina, Canada. October 2011

Does physical exercise affect demand for hospital services? Evidence from Canadian panel data, 5th Gijon Conference on Sport and the Promotion of Health and Well-being, Gijon, Spain. May 2010

Exercise, Aging & Healthcare Utilization, Department of Economics. University of Manitoba, Winnipeg, Canada. March 2008

Physician Work Force Projection in Saskatchewan, 3rd International Conference in Business Management and Economics, Izmir, Turkey. June 2007

External Costs of Physical Inactivity, University of Regina, Department of Economics, Regina, Canada. January 2007.

External Costs of Physical Inactivity, University of Calgary, Department of Economics, Calgary, Canada. December 2006.

Exercise? Maybe another time: The cost of sedentary lifestyles, 2nd International Conference in Business Management and Economics, Izmir, Turkey. June 2006.

Exercise? Maybe another time: The cost of sedentary lifestyles, Department of Economics, University of Manitoba, Winnipeg, Canada. March 2006.

An Overview of the American Healthcare System, Fourth International Seminar on Hospital Administration, Latin American and Caribbean Center at Florida International University, Miami, USA. October 2002.

CONFERENCE, SYMPOSIUM & SEMINAR PRESENTATIONS

An economic analysis of a physical activity intervention at childcare centers, European Health Economics Association Conference, Hamburg, Germany, July 2016 (poster presentation)

Long-run health effects of sports and exercise, European Health Economics Association Conference, Hamburg, Germany, July 2016

Long-run health effects of sports and exercise in Canada, Joint Conference of the International Health Economics Association & the European Conference on Health Economics, Dublin, Ireland, July 2014

Proximity to sports & exercise facilities and decision to participate in physical activity, European Conference on Health Economics, Zurich, Switzerland, July 2012

Proximity to sports & exercise facilities and decision to participate in physical activity, American Society for Health Economics Conference, Minneapolis, USA, June 2012

Social Interactions and Participation in Leisure Time Physical Activity, International Health Economics Association Conference, Toronto, Canada, July 2011

Social Interactions and Participation in Leisure Time Physical Activity, Eurasia Business and Economics Society Conference, Istanbul, Turkey, June 2011

Social Interactions and Participation in Leisure Time Physical Activity, European Conference on Health Economics, Helsinki, Finland, July 2010

Does physical exercise affect demand for hospital services? Evidence from Canadian panel data. 9th International Conference on Health Economics, Management and Policy, Athens, Greece. June 2010

Hospital stays associated with physical inactivity: Should we have age based targeting to promote activity? European Conference on Health Economics, Rome, Italy, July 2008

Exercise, Aging & Healthcare Utilization, Department of Economics, TOBB University of Economics and Technology, Ankara, Turkey, February 2008

Physical Inactivity and its Impact on Healthcare Utilization, Department of Economics, Middle East Technical University, Ankara, Turkey, November 2007

Physical Inactivity and its Impact on Healthcare Utilization, Canadian Public Health Association, Ottawa, Canada, September 2007

Economic Contributions of Physical Activity Programs to the Publicly Funded Healthcare System, International Health Economics Association, Copenhagen, Denmark, July 2007 (poster presentation).

Anti-smoking Policies and the Demand for Cigarettes: Do Social Norms Matter?, Congress of the Humanities and Social Sciences, Health and Public Policy Meeting, Saskatoon, Canada, May 2007.

Impacts of Institutional Structure on Smoking Prevention Policies, Southern Economic Association Meeting, Charleston, USA, November 2006.

External Costs of Physical Inactivity, 6th Annual Economics Research Symposium, University of Saskatchewan, Saskatoon, Canada, October 2006.

Exercise? Maybe another time: The cost of sedentary lifestyles, Inaugural Conference of the American Society for Health Economists, Madison, USA, June 2006.

A Discussion on Alternative Reimbursement Schemes and Healthcare Utilization in Turkey, 5th Annual Economics Research Symposium, University of Saskatchewan, Saskatoon, Canada, October 2005.

Economic Contribution of Physical Activity to the Canadian Healthcare System, Canadian Association for Health Services and Policy Research, Montreal, Canada, September 2005.

Economic Evaluations of Suicide Prevention Programs, Western Economic Association Meeting, San Francisco, USA, July 2005.

Impacts of Alternative Provider Reimbursement Schemes on Health Care Utilization, Department of Economics, Middle East Technical University, Ankara, Turkey, May 2005.

Efficiency Measures for Hospitals: Are they reliable? Hawaii International Conference on Social Sciences, Honolulu, Hawaii, USA, June 2004.

Quality Discrimination in Managed Care Health Plans, Eastern Economic Association Meeting, New York, USA, February 2003.

Efficiency Outcomes of Market Concentration and Managed Care”, Western Economic Association Meeting, Seattle, USA, July 2002.

Do Competition and Managed Care Improve Quality? International Health Economics Association Conference, York, United Kingdom, July 2001.

Consumer Out-of-Pocket Spending for Pharmaceuticals in Kazakhstan: Implications for Sectoral Reform, Population Association of America (Special Session organized by Population Reference Bureau, Policy Communication Program), Washington DC, USA, March 2001.

TEACHING & SUPERVISION EXPERIENCE

Graduate Courses:

University of Saskatchewan: Health Econ., Econ Evaluation Methods in Health, Econometrics II
Florida International University: Quantitative Methods, Health Economics and Policy

Undergraduate Courses:

University of Saskatchewan: Economics of Healthcare, Intermediate Microeconomic Theory
Florida International University: Statistics, Research Methods
Boston University: Principles of Economics
Middle East Technical University: Introduction to Statistics

Student Supervision:

Supervisor (2004-2016): 17 MA in economics

Co-supervisor (2009-2016): 2 MA in economics & 1 MSc in biomedical engineering
Committee member (2004-2016): 14 MA in economics & 1 PhD in kinesiology

OTHER ACADEMIC & PROFESSIONAL ACTIVITIES

Manuscript Reviewer/Referee:

American Journal of Public Health	Canadian Journal of Economics
American Journal of Preventive Medicine	Canadian Public Policy
Canadian Medical Association Journal	Contemporary Economic Policy
Economics of Education Review	Economic Modelling
Economics & Human Biology	Economics Bulletin
Health Economics	Journal of Economic Behavior & Organization
Health Policy & Planning	Health Services Research
İktisat, İşletme ve Finans	International J of Industrial Organization
Journal of Applied Econometrics	Journal of Health Economics
Journal of Econ & Management Strategy	Journal of Socio-Economics
Journal of Behavioral Health	Southern Economic Journal
Scandinavian Journal of Economics	Social Science & Medicine
Social Indicators Research	British Medical Journal Open

External Reviewer:

Renewal/reappointment (3rd year review), Quaid-i-Azam University, Islamabad, Pakistan, 2016

Promotion to Associate Professor. Western Ontario University, Canada, 2014.

Renewal/reappointment (3rd year review). The City University of New York (CUNY), USA. 2011.

Promotion to Associate Professor. Thompson Rivers University, Canada, 2011.

Faculty Judge for the poster competition at the 16th Annual Life & Health Sciences Research Day, College of Medicine, University of Saskatchewan, March 2009.

External Grant Reviewer for Social Sciences and Humanities Research Council of Canada

External Examiner for PhD/MA Theses Defense:

M.S. Defense. University of Saskatchewan, Community Health & Epidemiology, March 2014

PhD Defense. University of Calgary, Department of Community Health Sciences. May 2012

MSc Defense. University of Saskatchewan, School of Public Health, October 2012.

MSc Defense. University of Saskatchewan, Community Health & Epidemiology, October 2010.

MSc Defense. University of Saskatchewan, College of Pharmacy & Nutrition, November 2007.

MSc Defense. University of Saskatchewan, College of Pharmacy & Nutrition, August 2005.

Textbook Reviews:

Health Economics by J. Hurley, McGraw-Hill/Ryerson Publisher

Macroeconomics by DeLong/Mansoorian/Michelis, McGraw-Hill Publisher

Health Economics in Canada, Pearson Education Canada Press

Activities Related to Professional Associations:

iHEA Scientific Committee Review Panel, 2017 World Congress, International Health Economics Association, Boston, USA

Scientific Review Committee, Member, 2015 Conference of the Turkish Health Economics and Policy Association, Istanbul, Turkey

iHEA/ECHE Scientific Review Committee, Member, 2014 Joint Conference of the International Health Economics Association & European Conference on Health Economics, Dublin, Ireland

International Congress on Interdisciplinary Business & Social Sciences (Jakarta Indonesia) Technical Program Committee, Member, 2012

CHESG Scientific Review Committee, Member, 2012 Canadian Health Economics Study Group, Edmonton, Canada

ECHE Scientific Review Committee, Member, 2012 European Conference on Health Economics, Zurich, Switzerland

iHEA Scientific Review Committee, Member, 2011 International Health Economics Association, Toronto, Canada

Co-founder of Health and Public Policy Association (HPPA), 2006

Scientific Review Committee, Member, 2007 Health and Public Policy Association (HPPA), Saskatoon, Canada

ASHE Scientific Review Committee, Member, 2006 American Society for Health Economists (ASHE), Madison, USA

Conference, Symposium & Seminar Organizing Committee Membership:

Health and Public Policy Meeting, Co-organizer, 2007 Congress of the Humanities and Social Sciences, Saskatoon, Canada, May 2007.

6th Annual Economics Research Symposium, Organizer, Department of Economics, University of Saskatchewan, Saskatoon, Canada, October 2006

Seminar Series in Economics, Chair, University of Saskatchewan, 2006-2007

Seminar Series in Economics Committee, Member, University of Saskatchewan, 2004-2005

Session Organizer, Session Chair & Discussant: International Health Economics Association, American Society for Health Economists, European Conference on Health Economics, Southern Economic Association, International Conference in Business Management and Economics Meetings,

University & College Committees:

College Review Committee, Member, 2015 - present
Academic Programs Committee, Member, winter 2015.
Sabbatical Review Committee, Member, 2012-2013.
University Academic Support Committee, Member, 2009-2012
College of Arts and Science IT Committee, Member, 2009-2010.
College of Arts and Science Online C.V. Utility Development Committee, Member, 2009-2010.
Social Science Research Committee, Member, 2008-2011
Executive Committee for Master of Public Health Program, Member, 2006-2007.
Community and Population Health Research Training Program, Mentor, 2004 – 2008.

Departmental Committees:

Graduate Program Recruitment/Admission Committee, Chair, 2013 - present
College Representatives for Engineering, Member, 2013-present
Mentorship Committee, Member, 2013-present
Graduate Program Committee, Member, 2005- present.
Salary/Merit Review Committee, Member, 2011- 2013.
Faculty Recruiting Committee, Member, 2006-2014.
Faculty Search Committee, Member, 2006-present.
IT Committee for the Department, Chair, 2008-2009
Fowke Award Committee, Chair, 2006; 2009.

Other Departmental Committees:

PhD Comprehensive Exam Committee for Econometrics, Member, 2012-2013
PhD Comprehensive Exam Committee for Health Policy, Member, 2006-2007

Previous Committee Work:

Faculty Hiring, Search and Screen Committee, Member, Florida International University, 2003-04.
Curriculum Committee for Graduate Quantitative Courses, Member, Florida International University, 2003-04.

Public & Community Contributions:

Health Services Research Advisory Panel, Member, Saskatchewan Health Research Foundation, 2012- 2014

Drug Advisory Committee of Saskatchewan, Member, Ministry of Health, 2010 – 2013
